The citizens uv the Corners held a consultation ez to wat wuz to be done with me when A. Johnson shood shuffle orf the mortal coil uv offishal life. It was a tovely dream, but I was destined to a sad awakenin

I reutid a grosery store in a convenient coreer uv 6th Ward,, and put over it in bold letters the legend "Michael O' Narby" with the harp wich wunst thro Tara's halls, its sole uv moosie shed, paintid conspicyous, and bein a troo Amerikin I hed the green flag uv ould Ireland paintid rite above the Stars and Stripes. In two days I wuz ready for biz-

pleasant acquaintances. Two Alderdermen and four or five gentlemen connected with the city government hed lookt in and interdoosed theirselves and exprest theirselves pleased at my comin. Bein a stranger in the city they gave some valuable advise. "The first thing to do," sed one

uv em "is to make acquaintances. 1 wood suggest that you hev a formal openin. We will, of the idea strikes yoo, take the trouble to invite a few friends in, say to nite, to save you the trouble, that you may establish yourself. Is it a go?"
